COLLEGE PROFILE

The College owes its existence to the tireless efforts of late S. Ajmer Singh, former Minister, Government of Punjab, the illustrious son of soil and his team of selfless and saintly persons. The college is located on a stretch of 22 acres of prime land donated by Gram Panchayat, Village Bondli on the Samrala-Chandigarh National Highway. It is housed in a beautiful building comprising an Administrative wing, Science block, Arts block, Commerce Block, Computer Science and Information Technology Block, Girls' Wing, Advanced Computer Labs, Digital English language Lab, Home Science Lab, Fashion Designing Lab, Air Conditioned Auditorium, large grounds and a well-furnished computerized library.

Nowadays, at master level the college is imparting education in the subjects of History, Punjabi, and Mathematics, PGDCA and at undergraduate level, it is imparting education in Arts, Computer Science and Information Technology, B. Sc (Non-Medical and Computer Science), B.C.A. and B. Com. Today the college enjoys an enviable position in curricular, co-curricular activities and sports. It has produced national and international level sports-persons, artists, engineers, scientists, administrators, and leaders in business. Such achievements bear testimony to the dedicated efforts of its staff, philanthropy of its Management, munificence of its well-wishers and cooperation from civil and police administration.

ABOUT THE INTERNATIONAL WEBINAR

The COVID 19 has led to great economic loss to all the economies in the form of lockdowns imposed to check the spread of disease and control community transmission. The primary objective of the webinar is to create awareness about COVID 19, its impact on Indian and world economy and there by coming up with some solutions to revive the world economy in general and Indian economy in particular. The presence of this virus has greatly impacted individual, social, cultural and professional aspect of lives in all the countries. The great economies of the world like U.S.A and Europe have suffered. With these thoughts in mind, an initiative is taken by Department of Economics and Commerce of our college to address this impact of crisis and to revive these economies. It will help to give some policy directions to policy makers while drafting revival strategy for exiting this pandemic.
